Description

Erasmus+ LIVE JMD Programme is a unique European Master in Vaccinology dedicated to:

- Train the students from all countries to different cultures.
- Organize an integrated formation with a strong scientific background in Immunology, Infectiology, Vaccinology, but also multilingualism and multidisciplinary: legislation, health policy and humanities around vaccinology.
- Integrate know-how, know-what, know-why & know-who along the vaccinology chain: fundamental and translational research, industrial development and production, usage and epidemiological follow-up in vaccine clinical centres and communication.
- Drive a very efficient and opened joint training between the academic and the industrial world to cover a defined list of jobs in agreement with the labour market.
- Organize the VaxInLIVE SYMPOSIA International meetings <http://vaxinlive.univ-lyon1.fr>
